

Challenges in Clinical Medicine 2004

September 4-5, 2004

Gaylord Palms Resort, Orlando, Florida

AKKA 2004 World Kannada Convention in Orlando, Florida

Course Description: This program agenda meets the need for an update in various internal medicine topics for the membership of the society.

Target Audience: Physicians in primary care and specialists from a broad range of disciplines

Objectives:

1. Recognize the impact of chronic disorders on the health of an aging population.
2. Formulate a logical treatment algorithm for the management of these disease states.
3. Recognize the strengths and weaknesses of the various interventions and the potential for iatrogenic problems.

ACCREDITATION

The University of South Florida College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The University of South Florida College of Medicine designates this educational activity for a maximum of **6 category 1 credits** towards the AMA Physician's Recognition Award. Each physician should claim only those credits that he/she actually spent in the educational activity.

Sponsored by

Supported by educational grants from Forest Laboratories, GlaxoSmithKline and Merck.
